

# User story

This version of User Stories was developed from the basic functionalities of the CRM and is to be added throughout the process of building up the app.

ID	As a...	I want to...	So that...	Priority
1	Account user	Use the service securely.	My information and relationships are protected.	IMPORTANT
2		Have the app present my relationship as a graph (mindmap?).	I can visualise my own social network graphically.	IMPORTANT
3		View my (saved/invited/own) upcoming events.	I know when they are up and get myself ready on the day.	IMPORTANT
4		Register for an account, add my personal info.	Have my own account and start using the app.	IMPORTANT
5		Search for people/public events by names and tags.	I can look for people that I want to connect to/ public events that I am interested in.	IMPORTANT
6		Get notifications of an event when it is coming in <time> (this can be set by me, e.g 1 day).	I get reminded in case I forget.	ESSENTIAL
7		See log of my past events.	I can manage/ look for info when needed.	ESSENTIAL
8		Instant message my people.	I can conveniently chat with them.	ESSENTIAL
9		Have a customised interface (choosing from range of modes/colors).	I feel personalised when using the app.	NICE TO HAVE
10		View event icons/tags on calendar.	I can organise and set reminders for upcoming events.	NICE TO HAVE
11		Get recommendations of people that I may know/ public events that I may be interested in (based on my connections)	I can broaden my connections.	NICE TO HAVE
12		Have notification setting tab.	I can manage what I want to be notified.	NICE TO HAVE
13		Have a system which reminds me to contact people that I've not chatting with for a long time.	Our connections are maintained, no distances.	NICE TO HAVE
14	Event/Meeting holder	Create an event, manage its privacy and other settings.	I can manage my event to meet its purposes.	ESSENTIAL
15		Send event invites.	I can invite people who I want to take part in.	ESSENTIAL
16		View list of attendees/ people who are interested in.	I estimate its range of influence and get it ready on the day.	ESSENTIAL
17	Event/meeting attendee	Receive event invitations.	I have access to events that are shared by my people (those have an account can receive invitations through chat feature, otherwise, through emails).	NICE TO HAVE
