

User story

This version of User Stories was developed from the basic functionalities of the CRM and is to be added throughout the process of building up the app.

As a...	I want to...	So that...	Priority
Account user	Use the service securely.	My information and relationships are protected.	IMPORTANT
	Have the app present my relationship as a graph (mindmap?).	I can visualise my own social network graphically.	IMPORTANT
	View my (saved/invited/own) upcoming events.	I know when they are up and get myself ready on the day.	IMPORTANT
	Register for an account, add my personal info.	Have my own account and start using the app.	IMPORTANT
	Search for people/public events by names and tags.	I can look for people that I want to connect to/ public events that I am interested in.	IMPORTANT
	Get notifications of an event when it is coming in <time> (this can be set by me, e.g 1 day).	I get reminded in case I forget.	ESSENTIAL
	See log of my past events.	I can manage/ look for info when needed.	ESSENTIAL
	Instant message my people.	I can conveniently chat with them.	ESSENTIAL
	Have a customised interface (choosing from range of modes/colors).	I feel personalised when using the app.	NICE TO HAVE
	View event icons/tags on calendar.	I can organise and set reminders for upcoming events.	NICE TO HAVE
	Get recommendations of people that I may know/ public events that I may be interested in (based on my connections)	I can broaden my connections.	NICE TO HAVE
	Have notification setting tab.	I can manage what I want to be notified.	NICE TO HAVE
	Have a system which reminds me to contact people that I've not chatting with for a long time.	Our connections are maintained, no distances.	NICE TO HAVE
Event/Meeting holder	Create an event, manage its privacy and other settings.	I can manage my event to meet its purposes.	ESSENTIAL
	Send event invites.	I can invite people who I want to take part in.	ESSENTIAL
	View list of attendees/ people who are interested in.	I estimate its range of influence and get it ready on the day.	ESSENTIAL
Event/meeting attendee	Receive event invitations.	I have access to events that shared by my people. (those have an account can receive invitations thru chat feature, otherwise, thru emails)	NICE TO HAVE
	See number and list of people who are also interested or going to attend the events/meetings that I'm also attending/interested in.	I get its range of influence and get it ready on the day if I am attending. Or I may make up my mind if I am interested in it.	ESSENTIAL
